## PROGRAM INFORMATION

### Target Audience

This meeting is designed for anesthesiologists, anesthesia providers, practitioners, nurses and administrators who work and specialize in ambulatory, office-based or non-operating room anesthesia.

### About This Meeting

The purpose of this meeting is to educate and share information that will enable anesthesiology practitioners to provide the highest level of ambulatory anesthesia services and improve patient outcomes. Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2020 and other previous Annual Meetings. In addition, the Annual Meeting Committee and Board members review the published literature with the highest impact on the specialty and solicit suggestions from members of SAMBA active in the clinical practice of ambulatory anesthesia. These suggestions were discussed with educators who attended previous SAMBA meetings.

### Registration

Registration for the 2021 Annual Meeting includes all sessions and the program syllabus. Note that all fees are quoted in U.S. currency. Registration for the meeting can be made either by using the registration form in this brochure or through SAMBA's website at [www.SAMBAhq.org](http://www.SAMBAhq.org).

### Registration Deadline

The registration deadline for the meeting is May 13, 2021.

### ACCME Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Society for Ambulatory Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

### Accreditation Information

The American Society of Anesthesiologists designates this live activity for a maximum of 18.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### MOCA 2.0<sup>®</sup> Part 2 - Patient Safety

Attendees are eligible to receive up to 1.25 credits that may be applied towards MOCA<sup>®</sup> Part 2: Patient Safety requirements.

### Commercial Support Acknowledgement

The CME activity is supported by educational grants. SAMBA gratefully acknowledges the support of Medtronic for this meeting. A complete list of supporters will be made available in the program guide.

### Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

### Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

### Disclosures

A complete list of disclosures will be listed in the program guide.

### Statement of Need

The SAMBA Annual Meeting provides a forum devoted to ambulatory and office-based anesthesia offering clinically relevant lectures, panels and workshops; highlights of innovative ambulatory and office-based practices; networking opportunities with peers and experts in the field; and exposure to relevant products/services of interest to our attendees in the exhibits area.

### Special Needs

The Society for Ambulatory Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact SAMBA at (414) 488-3915.

### Cancellation Policy

Cancellations received through May 1, 2021, will receive a full refund. Cancellations received from May 1, 2021 through May 12, 2021 will receive a refund less a \$200 administrative fee. Refunds will not be given after May 12, 2021. Cancellation of a meeting registration must be submitted in writing. Refunds will be determined by date written cancellation is received at the SAMBA office in Milwaukee, WI.

### Overall Learning Objectives

At the conclusion of this activity, participants should be able to:

- Assess patients for appropriateness for ambulatory or office-based surgery.
- Discuss relevant controversial topics and decide appropriate action for their practice to take.
