KEYS TO SUCCESSFUL OUTCOME

**SOCIETY FOR
SIMULATORY
ANESTHESIA**
Computer • Office Based • Non-Operating Room
@samba_hq

- Mutual surgeon/ anesthesiologist relationship
- Good Preoperative patient interview . Confidence. Short wait times
- Avoid unnecessary drug cocktails. This is not Happy Hour
- Be generous with your fluids in most cases
- If it ain't broke, don't try to fix it .
