DEAR COLLEAGUES,

On behalf of the Society for Ambulatory Anesthesia (SAMBA), I invite you to become a sponsor for our SAMBA 2026 Annual Meeting to promote your products and services. This in-person meeting is scheduled to be held May 13-16, 2026, at the Gaylord National Hotel in Washington DC. New this year, we will be hosting our meeting jointly with the Ambulatory Surgery Center Association (ASCA). Hundreds of attendees are expected to participate in engaging, thought-provoking, educational sessions and lively discussions aimed at advancing the practice of ambulatory surgery and anesthesia. Anesthesiologists, CRNAs, and ambulatory surgery center directors will be present. These leaders in clinical and administrative ambulatory surgery are stakeholders and key decision-makers about products and services utilized in their ambulatory surgery centers, both in academia and private practice.

Your presence at the ASCA-SAMBA 2026 Conference and Expo provides the perfect opportunity for you to market your products and services to these decision-makers and stakeholders in ambulatory anesthesia. Our exhibit hall includes space to showcase your products and services—products and services that, we believe, will help our members improve patient care, cut costs, and remain at the forefront of ambulatory anesthesia innovation. In fact, we have an entire evening reception dedicated to allowing our attendees to visit/interact with our sponsors and view their products. Your presence positions your brand as an industry leader and provides access to these stakeholders.

You can increase your exposure by selecting one of our add-on options or sponsorship packages. With our luncheon sponsorship opportunities, you have added time to educate attendees in more detail about your brand/product and achieve maximum engagement. We would be happy to discuss these premier sponsorship opportunities in more detail with you. Don't miss this opportunity to showcase your brand to key stakeholders, network with peers and professionals and promote your products and services at a global level.

We are delighted to be meeting in-person and anticipate having a group of enthusiastic attendees looking forward to new ideas and products to improve their practice! I hope that you will partner with us for this exciting opportunity! Please contact us for additional details about our sponsorship opportunities.
